**OFFICE OF PETITIONS**

In re Application of	:	
JARALLA	:	
Application No. 10/533,490	:	ON PETITION
Filed: April 28, 2005	:	FOR HIGHER LEVEL REVIEW
Attorney Docket No. 206,973	:	

This is a decision on a renewed petition or a request for reconsideration at a higher level filed July 10, 2007, which is treated as a petition under 37 CFR 1.10(c) requesting that the submission of the formal corrected drawings for the above-identified application be considered as filed on January 3, 2007, instead of the currently accorded submission date of January 4, 2007.

The petition is **DISMISSED as moot.**

Petitioner alleges that the issue fee, the publication fee, and drawings were deposited with the United States Postal Service on January 3, 2007 using Express Mail Service. As stated in the previous decision of June 7, 2007, petitioner has provided sufficient evidence that the issue and publication fees were timely submitted on January 3, 2007 because the Express Mail label number was placed on the fee transmittal sheet or a paper that constitutes a correspondence. Additionally, the decision noted that the January 3, 2007 submission of the issue and publication fees is timely in view of an official correspondence from the Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office, entitled, "Closing of the United States Patent and Trademark Office on Tuesday, January 2, 2007. This correspondence explains that the Office was not open on January 2, 2007, and as such, "[a]ny action or fee due on Tuesday, January 2, 2007, will be considered as timely for purposes of, e.g., 35 U.S.C. §§ 119, 120, 133, and 151, if the action is taken, or the fee is paid, on the next succeeding business day on which the USPTO was open, that is, Wednesday, January 3, 2007."

The timely filing of the issue and publication fees has not been disputed in petitioner's renewed petition of July 10, 2007. On reconsideration and relying on a postcard receipt, petitioner has argued that the corrected drawings were also submitted on January 3, 2007.

It has recently come to the Office's attention that a Notice Regarding Drawings (Notice) and a Notice of Draftsperson's Drawing Review were apparently mailed to applicant on December 18,

2006.<sup>1</sup> The Notice set a non-extendable two-month period for response and, thus, extended the period for responding to the corrected drawing requirement until February 18, 2007. In light of this Notice, the formal drawing submission received by the Office on January 4, 2007 is considered timely regardless of whether the formal drawings are accorded a January 3, 2007 or January 4, 2007 submission date.

Based on the above, the Notice of Abandonment of June 20, 2007 was mailed in error and is, hereby, vacated. The Office regrets any inconvenience.

Please note that Office records reflect the Notice of Abandonment mailed June 20, 2007 was returned to the Office as undeliverable. This Notice was mailed to: Abelman Frayne & Schwab, 666 Third Ave., 10<sup>th</sup> Floor, New York, NY 10017-5621. This address matches the last Change of Address received on January 4, 2007. Slightly inconsistent with the Change of Address submitted on January 4, 2007, the petition filed July 10, 2007 includes a letterhead with an address of: Abelman Frayne & Schwab, 666 Third Avenue, New York, NY 10017-5621. Petitioner should review the record and provide the Office with a viable correspondence address. See MPEP 601.03, 711.03(c) and 2501.

Telephone inquiries concerning this matter may be directed to Denise Pothier at (571) 272-4787.

The application will be forwarded to the Office of Publication for further processing.
